

Young Lipid Scientists

Award

The European Federation for the Science and Technology of Lipids (Euro Fed Lipid) invites you to apply for the Young Lipid Scientists Award. The prize is granted to applicants for distinguished research in the fields of lipid science and technology.

The Young Lipid Scientists Award consists of

- a certificate
- a free one-year subscription of the "European Journal of Lipid Science and Technology"
- free registration to the Euro Fed Lipid Congress including travel expenses

The winner is expected to give a 20 min oral presentation of her/his work. Applications submitted will be evaluated by experts of the Young Scientists Award Committee.

Personal applications only will be accepted from scientists who are not older than 35 years as of the application date. Original paper(s) not older than 2 years since publication, a 2-page (maximum) summary of the work and a curriculum vitae (all in English, six copies) should be submitted.

Research already merited by other scientific awards will not be considered.

The deadline for submission is 31 March of each year. The prize will be awarded during the annual Euro Fed Lipid Congress.

Please send applications to the following address:
